Type of Change: DESIGN

Title of Change: Design / Data Sheet Spec Changes 4304MC

Reason of Change: The design of 4304MC has been reviewed. Dimensions of the lampholder have not been modified for that purpose. The only dimension that has been modified was the diameter of the collar, from 0.360" to 0.375" (max). There is no change in all other characteristics of the mounting clip: material, material color, function, properties, installation.
Full specs available in the datasheet.
